

PLANNED OFFERTORY PROGRAM

The Office of Stewardship and Development has made enhancements to the Planned Offertory Program (POP) this year! We are happy to include digital design enhancements that will visually convey the message of your Parish stewardship effort.

In order to serve parishes in a timely manner, we ask for at least 3 weeks of lead time to complete your designs. At anytime, you may choose to download letter templates or the theme graphics to adapt on your own from the Parish Stewardship website. If you have any questions please contact Katie Price, Parish Stewardship Coordinator at 312-534-7622 or kprice@archchicago.org.

Provided POP Parish Resources Include:

- Stewardship Themes
- Example Template Letters
- 5 Digital Graphics
- Parish Video Template
- Stewardship Brochure
- 4 Social Media Post Examples

We anticipate most Parishes beginning their stewardship effort the weekends of October 15th and October 22nd.

We do have a Pilot Program which will provide additional in-person assistance and email set-up for a digital campaign, if interested please contact Katie Price at 312-534-7622 or kprice@archchicago.org.
