Dear Parish Leaders,

I value my time with parish leaders and look forward to seeing many of you at Parish Leadership Day on February 2, 2008, at Guerin College Preparatory High School.

The Church is a communion whose members live in relationship to God and with each other. The life of the Archdiocese comes from Christ and is shared through his grace and that wonderful energy of the dedicated people in our parishes who selflessly do all the things that make ecclesial communion a vital experience.

Periodically, the Archdiocese joins with our parish leaders to sponsor an opportunity for education, fellowship, and encouragement. Many of you have participated in previous Parish Leadership Days and found the experience rewarding. All those who participate will be better individuals and Church leaders and will find their time well spent. Those who come to Parish Leadership Day on February 2nd will learn more about how we are all called to serve by Taking the Spirit to the Streets: Bringing People Closer to Christ.

Thank you for your generosity in serving Christ in his Church. You and those you love are in my prayers; please keep me in yours.

Sincerely yours in Christ,

Francis Cardinal George, O.M.I.
Archbishop of Chicago
DEAR FRIENDS

Give yourself a gift by taking time away from your busy life and join your fellow parish leaders from around the Archdiocese of Chicago at Parish Leadership Day 2008 -- Taking the Spirit to the Streets: Bringing People Closer to Christ -- on Saturday, February 2, 2008, at Guerin College Preparatory High School, 8001 W. Belmont Ave. in River Grove, IL.  (See the registration page for early registration discount information.) This day is a great opportunity for parish leaders to gather together to pray and gain new knowledge and skills to transform their parishes and society.

Here are some of the day's opportunities:

• (optional) Come early and have a conversation with other parish leaders – 7:15 to 8:00 a.m.;
• Listen to the Keynote address by our neighbor, Bishop Peter Sartain of Joliet;
• Dialogue with Francis Cardinal George over lunch;
• Attend over 100 workshops (65% new, never presented before) given by qualified, experienced presenters in the areas of Parish Pastoral Councils, Evangelization, Stewardship, Skills, Formation, etc. in English, Spanish, and Polish;
• Visit many exhibitors representing Archdiocesan agencies and outside vendors;
• Worship at the Closing Liturgy with Celebrant, Francis Cardinal George OMI, and Homilist, Fr. Tom McCarthy OSA, who promise to send you off inspired to do God’s work in your parish and community.

Please take some time and share this brochure with your council, commissions, organizations, or interested parishioners. Pass it on to others if you are no longer involved. It is very important that your parish send as large a group of people as possible to Leadership Day. It makes a greater difference in the life of a parish when a number of people attend and share their stories of inspiration and learning. We encourage parish groups to attend different workshops in order to multiply their experiences. Your registration packet will contain suggestions on how to share what you experienced and discern how your parish can benefit.

Join us on Saturday, February 2nd to blend faith, knowledge, and skills within a community of parish leaders, serving together to bring people closer to Christ!

A6. ROOTS OF PARISH PASTORAL COUNCILS  How does a Parish Pastoral Council connect with one’s understanding of “Body of Christ”? With so many other church-life demands, is a Council necessary, needed, and worth the effort? How does a parish make its PPC an effective and real source of Spiritual growth for a parish?  Rev. Ted Stone is associate pastor at Mary, Seat of Wisdom parish and a trainer of Parish Pastoral Council leaders.

A7. RELATIONSHIP OF PARISH PASTORAL COUNCIL TO PASTOR AND STAFF  Designed for participants to share ideas and strategies for their parish to develop a better relationship with paid staff members and parishioner leaders from the PPC. The Council should be the eyes and ears of the pastor, and he is central in bringing the Council’s concerns and issues to the paid professional staff members. This workshop will discuss how this happens and suggestions you have to make it better.  Rev. Bill Zavaski is the pastor of St. James parish in Arlington Heights and has given workshops, talks, and missions to a variety of Archdiocesan parishes and groups.

A8. IN POLISH – WHY EACH INDIVIDUAL NEEDS THE CHURCH: ONLY FOR SALVATION?  Fr. Richard Groß, Dr. was born in 1963 in Poland and was ordained in 1988. He finished graduate studies at PWT (Papal Theological Department) in Wroclaw in 1988, and received the doctorate at the University of Nawarri in Pamplona, Spain. A10. HOME VISITATION: THE WORK OF THE SOCIETY OF ST. VINCENT DE PAUL  Visiting the needy in their homes dictates the highest respect for the dignity of the poor. Home visitation symbolizes the Vincentian commitment to reach out to the needy, rather than require them to report to an outside service site. Members are asked to listen, offer humble advice, and render assistance.  Claudia Pieske is the Executive Director for the Society of St. Vincent de Paul, Chicago, and Mary Van Wazer is its President.
A11. TAKING GUNS OFF OUR STREETS This workshop will present the issue of gun violence as a spiritual calling for Catholics and will discuss avenues available to ordinary citizens to get involved in the process of reducing gun violence and pressuring politicians to pass laws that will take guns off our streets. Steve Young is the Faith Community Coordinator for the Illinois Campaign to Reduce Gun Violence and is promoting legislation intended to reduce illegal gun trafficking and youth and criminal access to firearms.

A12. CHICAGO TOUR: SEEING CHICAGO’S “CRY OF THE POOR” THROUGH THE EYES OF CATHOLIC SOCIAL TEACHING Come examine the signs of the times with an overview of various social justice problems in the Chicago area. What is the prophetic voice of our times? How are we responding or not responding to our faith’s call to seek justice for the poor? Elena Segura and Team. Elena has been working on social justice issues from the faith perspective for many years in Peru and the U.S. She is the Director of the Catholic Campaign for Immigration Reform and Catholic Campaign for Human Development of the Archdiocese of Chicago.

Dr. Nicholas Wolsonovich is the Superintendent of Catholic Schools for the Archdiocese of Chicago and has been a Catholic School superintendent for the past 23 years. Rev. Bob Kroll is the Director of School Board Formation.

A15. EUCHARISTIC ADORATION: TRANSFORMATION OF A PEOPLE, PARISH, AND ARCHDIOCESE As hearts and souls are changed in the Presence of the Eucharistic Heart of Jesus, this reception of Love radiates outward, transforming the People of God and increasing our commitment to the Lord as his disciples, discovering and then developing devotion to Our Eucharistic Lord in our lives and in the parish. Rev. David Simonetti is Associate Pastor at Queen of Martyrs parish in Evergreen Park and the Spiritual Director for the Pope John Paul II Eucharistic Adoration Association and “The Inner Life” on Relevant Radio Catholic programming 820 AM.

A16. TAKING VATICAN II TEACHINGS TO THE SYNAGOGUE, CHURCH, AND MOSQUE: BRINGING PEOPLE FROM THE ABRAHAMIC TRADITIONS/RELIGIONS CLOSER TO EACH OTHER The presenters will engage the participants in the Vatican II text, Nostra Aetate, and share experiences of their relations with members of the Jewish and Muslim communities. They will also provide practical suggestions for greater interfaith involvement in parishes. Sr. Joan McGuire, OP is Director of the Archdiocese of Chicago’s Office of Ecumenical and Interreligious Affairs. Sr. Mary Ellen Coombe, nds, is Associate Director of the Office. A18. PRACTICAL STRATEGIES FOR NEW EVANGELIZATION WITH YOUNG ADULTS Those in their 20s and 30s, though spiritually hungry, are the least active segment of parish life today. What’s with that?! Join Kate for a working definition of evangelization, and to hear the surprising results of recent research on evangelization with and for young adults. Kate DeVries is the associate director of the Young Adult Ministry Office of the Archdiocese of Chicago. Last May, she received her Doctorate in Ministry from Catholic Theological Union. Along with her colleague, Fr. John Cusick, Kate co-authored the book: The Basic Guide to Young Adult Ministry, and hosts a monthly radio program: “The Light Show.”

A19. RIGHT TURN ONLY! A STREET GUIDE FOR YOUTH MINISTRY This workshop will map out goals and strategies for developing comprehensive ministry to youth. Cultural diversity will be highlighted in the exploration of three equally important goals that guide the Church’s response to the needs of our youth. Archdiocesan Youth Ministry Vicariate Coordinators

A20. RCIA: DOORWAY TO PARISH LIFE It is through the entire faith community that RCIA nurtures those on their journey to sacramental fulfillment, but how do we better integrate those who come knocking at our door to become vibrant participants in the faith community we call parish? Marco Matonich is the Pastoral Associate at Divine Providence Parish, Westchester IL, with focus on liturgy/evangelization and adult formation through RCIA, Adult Confirmation, and Adult Sunday School, as well as facilitating Young Adult Ministry and hosting Theology-on-Tap.

Raymond C. Baumbart, SJ led Loyola University for 23 years and has worked in a leadership role with Cardinals Bernardin and George for 13 years.
A23. ANALYSIS OF REALITY THROUGH THE EYES OF FAITH: HOW DOES GOD SEE IT?  Faith in life is concrete and real. Our faith graces and calls us to see reality ourselves, and others as God sees them. How can we do this in the midst of so much confusion, scientific knowledge, and negative human action towards one another? Sr. Dominga Zapata, SH has pastoral experience throughout the U.S. for more than 35 years as a speaker and presenter in the fields of catechesis and evangelization, women in the Church and society, spirituality, culture, pastoral planning, and leadership formation, as well as working to develop, strengthen, and nourish Catholic spirituality within Hispanic cultural traditions.

A24. PPC MEETINGS: MEANING + MOVEMENT = LIFE  Ever attend a meeting that got so bogged down in extraneous information and activity that you forgot what the original purpose of the meeting was and, more importantly, why you were there? This workshop is intended to help re-generate interest in and commitment to the PPC meeting, offering suggestions on how to recapture its FOCUS, keep it moving forward, and accomplish its purpose. Regina Herron and Sharon Anderson are members of St. Dorothy Parish and Lay Minister coordinators of PPC Training and Formation.

A25. OPEN COMMUNICATION: THE KEY TO SUCCESSFUL FINANCE COUNCILS  Come and learn ways to make your parish finance council more effective. Pastors and finance council members can learn how to have more effective relationships with parish pastoral councils, school boards, and other parish groups. Learn how proactive communication helps a parish achieve its goals and mission. Learn how to re-assess and re-vitalize your practices. Tom Brennan is the Director of Finance and Taffie Iwanicki is the Manager of Parish Operations for the Archdiocese of Chicago.

A26. THE EUCHARIST: HEART OF EVANGELIZATION  The Eucharist is the Source and summit of Christian life. This is why, for Catholics, bringing people to Christ means bringing them to the Eucharist. Rev. Robert Barron is professor of systematic theology at the University of St. Mary of the Lake-Mundelein Seminary. He is the author of many books and articles and gives frequent retreats, missions and workshops. As part of the Mission Chicago evangelization efforts, Fr. Barron recently delivered a series of lunchtime lectures to Chicago’s business, political, and cultural leaders on “Evangelizing the Culture.”

A27. WHAT HAVE WE LEARNED ABOUT WHY CATHOLICS DON’T COME TO CHURCH?  People leave the Church for many reasons. Many have been hurt or don’t feel welcome anymore. How do we invite them back and begin the healing? John Rex is a Deacon at St. Damian Church-Oak Forest, successfully ran “Catholics Returning Home,” worked directly with Sally Mews, official printer for CRH, worked on the Vicariate Evangelization Task Force, and attended and hosted Spreading the Holy Fire workshops.

A28. WHAT IS CATHOLIC EVANGELIZATION?  Catholic Evangelization is a many-sided diamond. In one sense, evangelization is part of every ministry of a parish, yet there are different kinds of evangelization that some pastoral situations demand. The workshop will focus on convergence evangelization, foundational evangelization, healing evangelization, family evangelization, and re-evangelization of active members. Rev. Patrick Brennan, D.Min, Psy.D., is pastor of Holy Family Parish in Inverness, Director of the National Center for Evangelization and Parish Renewal, founder of the Office for Chicago Catholic Evangelization, and the National Council for Catholic Evangelization. His most recent book is The Mission Driven Parish (2007).

A29. REDISCOVERING OUR MISSION TO TRANSFORM THE WORLD  Every Christian has a mission. It is the mission that Jesus of Nazareth sent us on. It is a mission to transform the world into a place more like God would have it, what Jesus called the Kingdom or Reign of God. Greg Pierce is the President of ACTA Publications and the author of The Mass Is Never Ended: Rediscovering Our Mission to Transform the World.

A30. LEGAL ISSUES ARISING FROM EVANGELIZATION IN THE WORKPLACE  An overview and description of the status of the law with respect to the accommodation of employee religious beliefs and practices in the workplace. Jennifer Medenwald is a partner at the law firm of Quenrey & Harrow, Ltd. She is a member of the firm’s employment, appellate and insurance coverage litigation practice groups.

A31. THE DANCE OF GIVING AND RECEIVING: A SPIRITUALITY OF MONEY AND THE BUILDING OF COMMUNITY  A challenging reflection on how we give and receive money and the spiritual consequences, both positive and negative. This workshop will use the metaphor of dance to explore the spiritual tools we use to decide who we are and what we believe. Together, we will explore the dance of giving and receiving money and how it shapes us spiritually, personally, and as a community. Jeanine Drummond is a member of Holy Family Parish in Orland Park, IL. She is currently working on an MBA at Dominican University, and is a member of St. Giles parish in Oak Park. Sue Lehocky is a Pastoral Associate and Director of Finance and National Parish Ministry for the Archdiocese of Chicago.

A32. SCHOOL AS CHARISM OF PARISH  There is only one vision, and that unites all the ministries of the parish. “Stewardship as a way of life” helps bring this vision into focus. Time, treasure, and talent all make sense from an attitude of gratitude. Even finances are affected. There is not a school budget and deficit, a Religious Ed budget and deficit – only a parish budget and deficit. This becomes the responsibility of all, for the school is a ministry of the parish. This workshop will develop these themes from vision and practical experience. Rev. Paul Burak has been ordained a priest for ministry to the Archdiocese of Chicago for 35 years, 20 years in the African-American community, and is currently pastor of Our Lady of the Ridge. He has served as pastor for 26 years and is still smiling. He loves and delights in being a priest.

A33. GIFTS DISCERNMENT 1: CALLINGS, CHARISMS, AND THE KINGDOM OF GOD  (also see workshops B34 and C33). Advanced registration required along with prior completion of gift inventories; surcharge of $15 covers all three workshops in A, B, and C sessions. Limited to 25. Each of us is given gifts from God and in using them we glorify God. This exercise will help participants identify their own “Calling Card” and consider how that might be given away and shared with others at home, work, parish, and beyond. Charisms are the spiritual gifts that are given to each of us by the Holy Spirit for our mission in life. Find out how the Charism Discovery and Discernment process can change your life, your parish, and the world. Dana Connell is tenured faculty at Columbia College Chicago in Arts Management, is currently working on an MBA at Dominican University, and is a member of St. Giles parish in Oak Park. Sue Lehocky is a Pastoral Associate and Director of Stewardship for St. Joseph, a parish of 4,200 families in Libertyville, IL. She has a Master’s Degree in Pastoral Studies from Loyola University and is a graduate of the Lay Ecclesial Ministry Program for the Archdiocese of Chicago.

A34. INTERGENERATIONAL SHARING: A FAMILY AFFAIR IN FAITH  Authentic sharing is always reciprocal and thus relational. Learn from a panel deeply involved in sharing how persons of all ages can be involved in sharing and developing relationships that cross not only ethnic, economic, and racial divides but generational divides too. Tony Graefe is Chair of the Parish Sharing Commission of the Archdiocese of Chicago and will present with a panel.
B. DOMESTIC VIOLENCE: SIN IN OUR SOCIETY AND THE FAITH COMMUNITY'S RESPONSE

Domestic violence is the hidden sin in all our communities. We will explore the dynamics of domestic violence, appropriate responses by ministers and faith communities, and resources that are available for victims and offenders. *Dan Welter* has been a Judge in the Circuit Court of Cook County since 1987, Deacon in the Archdiocese of Chicago since 1991, Vice Chairman of the Community Council on Domestic Violence for the 5th Municipal District since 2002, and Presenter on Domestic Violence at the National Judicial College in Reno, Nevada.

B. SOLIDARITY WITH AFRICA

Vatican II calls all Catholics to step out of their comfort zone and make their faith an active noun. The Spirit is present everywhere, within each of us. We are called to share our faith with others. Our faith calls us to be in solidarity with our brothers and sisters. In this workshop you will learn ways to be in solidarity with our brothers and sisters on the continent of Africa. *Adrienne Curry*, M. Div., is Program Director, for Catholic Relief Services and Justice Education for the Office for Peace and Justice, Archdiocese of Chicago, where she has served for nine years. An Augustus Tolton scholar and graduate of Catholic Theological Union, she received her Masters of Divinity degree in 2001. Adrienne is a member of St. Dorothy parish.

B. IMMIGRATION: FAITH, JUSTICE, AND THE POWER OF LOVING

There are 12 million undocumented immigrants in our country. The Catholic Campaign for Immigration Reform has been educating and advocating now for almost three years. What are the new challenges and opportunities, now that the law did not pass and the anti-immigrant legislation and public opposition is increasing? How are you called to participate in this journey of justice for immigrants? *Elena Segura* and Team – see A12.

C27. ACTIVE LISTENING AS THE KEY TO COMMUNICATION: LET’S TALK ABOUT LISTENING
Listening...up, down and sideways is, so to speak, the START and the HEART of effective communication. Research suggests that the ability to listen will is an EAR-mark of affective leadership ...and effective groups. In this session, we will LISTEN to, and learn from one another on how we can become better listeners, responders, problem solvers and group leaders. Ralph Bonaccorsi is the Director of the Office of Conciliation for the Archdiocese of Chicago, whose mission is to assist “church folks” in resolving Church-related conflicts.

ADMINISTRATION

C28. ADMINISTRATIVE VISION: BUILDING A GREAT PARISH
All parishes do similar things: baptize, marry, bury, teach, pray, administer sacraments, etc. Yet some parishes seem more alive, involving, and inviting. This workshop will offer some strategies to build a great parish as it does the very ordinary things. Rev. John Cusick is a well-known speaker and author, in residence at Old St. Patrick’s Church in Chicago. Fr. Cusick is the Director of Young Adult Ministry for the Archdiocese of Chicago. He was the Homilist for Parish Leadership Day 2007.

C29. EFFECTIVE COMMUNICATIONS: CRITICAL FOR REALIZING A PARISH’S MISSION
This workshop will focus on how clear communications contribute to the effectiveness of a parish. Tools and resources for achieving effective communication will be discussed. Attendees are encouraged to bring examples of good and bad communications to share with the group. Tom Weirath is an active parish volunteer who has served on many committees including the PPC. He is a former health care consultant with Blue Cross-Blue Shield Association and has a PhD in sociology with an emphasis in organizational behavior.

EVANGELIZATION

C30. EVANGELIZATION WITHIN THE HOME
Learn practical ways to teach and foster the Faith in the home. Tips for infants, children, teens, and the entire family. Come away with ideas you can begin using immediately. Opal Easter is the Coordinator of RCIA at Holy Name of Mary Parish. Debbie Finley and Cheryl Newson are catechists at St. Felicitas. Vivian Williams is Liturgy Coordinator at St. Giles Family Mass Community.

C31. Evangelización por Manera Facil: Como hacer cada actividad parroquial una experiencia de evangelización. Una perspectiva practica e informativa de 2 aspectos de evangelizando: el actitud básico que haga una parroquia una parroquia evangelizando, sugerencias de las estapas que puede tomar ahora para evangelizar y posibilidades para sus programas futuros. Rev. Nicholas Desmond – see A5.

STEWARDSHIP

C32. BUILDING CAPACITY THROUGH CORPORATE AND FOUNDATION SUPPORT
This workshop will provide information on gaining a competitive edge for grants to corporations and foundations, and specific funding opportunities available for churches, schools, and non-profits. Jessica Bullock has experience in designing, writing, and evaluating numerous grant proposals. In the past four years, she has developed and administered numerous federal, state, and private grant proposals, which have resulted in over $4.6 million of outside support.

C33. GIFTS DISCERNMENT 3: REVIEW AND INTERPRETATION OF THE MYERS-BRIGGS TYPE INDICATOR
(Also see A33 and B34). Advanced registration required along with prior completion of gift inventories; surcharge of $15 covers all three workshops in A, B, and C sessions. Limited to 25. The MBTI is a great instrument for getting to know yourself (and others) better. We’ll use it to investigate how we prefer to interact with the world, process information, and make decisions. Utilizing one’s God-given gifts to build God’s kingdom on earth presupposes the recognition of one’s giftedness. In this three-part Gifts Discernment session, learn more about your personality type and how you may use your gifts for the betterment of your parish community and greater community. Ann Marie Morgan is the Associate Dean of Students at Loyola University Chicago. She has a Master’s degree in both education and pastoral studies.

C34. No tengo tiempo, talento ni dinero – como puedo practicar corresponsabilidad?
Exploraremos y discutiremos la forma y el medio de corresponsabilidad –las razones, los métodos, la importancia y como presentar un programa de corresponsabilidad a nuestros hermanos. David Reyes es el diácono de la parroquia Inmaculado Corazon de Maria en Chicago. Como otros diáconos el no tiene mucho tiempo ni dinero pero tiene talento proclamando su amor de Dios y su iglesia.

C35. YOU’VE GOT MAIL: ARCHDIOCESE OF CHICAGO WEB MAIL FOR PARISHES
Come learn about the Archdiocese of Chicago’s web-based email system - the official vehicle for electronic communications with the Archdiocese. Every parish, school, priest, principal, and Pastoral Center agency staff member has an Archdiocesan email account. If you’re not using it, you are missing vital communications. Mike Riley has an extensive background as a technology user and trainer and is the Archdiocese’s primary user instructor and the developer of much of the courseware and user documentation used by the Pastoral Center staff and other Archdiocesan users.

Prominent among the Archdiocese’s many noteworthy qualities is the remarkable level of communication between the people and the Archbishop. Speaking about the consultative process, Cardinal George said, “One also has to consult the people themselves, in whom the grace of Christ works constantly.” The Cardinal went on to describe the many councils and commissions that constitute a formal channel for his consultation with the people. His interaction with the faithful at gatherings such as Leadership Day is equally important informal consultation with the people. Leadership Day participants will have the opportunity to engage in a Conversation with Cardinal George. At the bottom of this page is a form for your question to the Cardinal. You may send it in with your registrations. Additional cards will be included in the materials participants receive upon arrival. The Cardinal values the opportunity to learn what is on people’s minds. Take advantage of this wonderful opportunity to ask the Cardinal a question.

Entre muchas cualidades importantes de la Archidiócesis es el nivel notable de la comunicación entre la gente y el Arzobispo. Refiriéndose acerca del proceso consultivo el Cardenal George dijo “Uno también necesita consultar con la gente, en las cuales la gracia de Cristo trabaja constantemente.” El Cardenal describió varios concilios y comisiones que constituyen un medio formal para su consulta con la gente. Su interacción con los fieles en las reuniones tales como el Día de Liderazgo tiene la misma importancia para una consulta informal con la gente. Los participantes del Día de Liderazgo tendrán la oportunidad de participar en una conversación con el Cardenal George. En la parte inferior y la izquierda de la forma de registro habrá espacio para su pregunta para el Cardenal. Ud. puede enviarla con su registro. Habrá tarjetas adicionales que serán incluidas en los sobres de los materiales que los participantes recibirán al llegar al evento. El Cardenal valora saber lo que la gente piensa. Aproveche de esta maravillosa oportunidad para hacerle una pregunta al Cardenal.
